Name Phone Cell unit to be stored length cost

Date stored _____ paid cash _____ paid by check # _____

I agree to pay the Embarrass Region Fair Association (ERFA) for storage of the unit above. The cost of storage is \$2.00 per running foot of unit per month. Storage begins in October and ends the end of March of the following year(6 months). ($\$2.00 \times \text{length} \times 6$). Depending on the spring thaw, stored units may not be removed until the grounds have firmed up so no damage is done to the grassy areas.

The Embarrass Region Fair Association is not responsible for units stored in Fair Association Buildings. Owners must carry their own insurance.
